

## **PARENT'S CONTRACT, CODE OF CONDUCT AND RESPONSIBILITIES**

### **HilHi Youth Football March 31,2009**

1. Be a positive supporter of your child's football experience. Let the coach do the coaching. Too much pressure can lead to a negative football experience for your child. Sideline coaching by parents is confusing to the players and complicated the coaches job.

2. Get involved and help your child's team in anyway you can. Volunteer to help and be part of the team. In our effort to keep the registration fees affordable we rely on fundraising efforts of the players and support from their parents. 10 PDP's and 5 Entertainment book sales are a required part of the fundraising effort. The PDP's are required to be turned in before the jamboree or the player will not be eligible for the tournament and the Entertainment books are required to be turned in by Sept 15<sup>th</sup> or you player will not be eligible for any further games.

If you do not wish to participate you may opt out of these fundraisers for:

- PDP program for a fee of \$50.00
- Entertainment books for a fee of \$50.00.

3. Refrain from tobacco products, alcoholic beverages or using other intoxicants on game or practice fields, or being on such fields while under their influence.

4. Use of profanity and abusive language is strictly prohibited. Obnoxious behavior will not be tolerated at any HilHi Youth Football event, practice or game.

5. Parents must not enter the players' box and must not be closer than the flag ropes behind the back of the players' box during scrimmages or games. The players' box ends at the 30 yard line on each side. The area from the goal line to the 30 is acceptable so long as you stay behind the flag ropes. If there is an injury or problem with your child, someone will call you down.

6. Practice activities are essential for the players, it is important that all players participate in all practices and that they arrive on time. If a player is late or misses 1 practice he will not start in the upcoming game, of 2 or more practices are missed the player will not be eligible for the next game.

7. Do not criticize an opposing team, its players, coaches, or fans verbally or by gesture.

8. Do not harass, verbally attack or berate the referees. They are high school football players and will make some mistakes. We will get more calls at home than on the road. We must live with it. Remember, those are HilHi Spartans who are referees at our home games. Treat them with respect.

9. Any fan that becomes a nuisance or is considered to be out of control will be asked to leave. You must leave immediately after being asked to leave or the police will be summoned to handle the incident which is now a violation of Oregon law.

**10. Please do not use football as a disciplinary tool. If you do, you penalize the whole team.**

11. If you desire to talk with a coach please set up a meeting time in advance. You can also contact us by phone at home or via e-mail.

12. This is a special group of athletes and a very special group of supportive parents. We are proud to not have a record of any negative instances in the history of this group of players. Thank you for your support of our team, HYF and TVYFL. HilHi Youth Football Coaching Staff.

**I agree to these terms and conditions of my player contract.**
